DOWNTOWN DUBAI

The Opus Collection

Two-bedroom residences, Downtown Dubai

STARTING FROM

AED 1,400,000

approx. USD 380,000 / EUR 330,000

Burj views, on a payment plan that works.

Two-bedroom residences a few streets from the Burj Khalifa and the Dubai Mall, laid out with the generous proportions the Downtown market has quietly stopped building. Each unit takes a corner aspect, with a wraparound terrace and a separated service kitchen behind the main entertaining space.

Downtown remains the single most searched district in Dubai for both tenants and end-users, and a 2026 handover means income can begin while much of the surrounding pipeline is still under construction.
