One & two-bedroom villas, Canggu

STARTING FROM

USD 185,000

leasehold, 25 years + extension

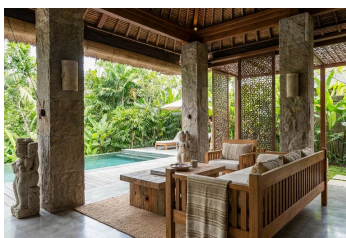

The strongest yielding asset on this shortlist.

Compact private-pool villas in the Canggu tourism belt, minutes from Berawa beach and the restaurant strip that has made this the highest-occupancy short-let market in Southeast Asia. Open-sided living pavilions, a private plunge pool and a tropical garden to every unit.

Delivered with a management operator already in place, so the villa can enter the nightly-rate market from handover without the owner sourcing staff, listings or housekeeping.
