

Application Development

ILLUSTRATIVE

Profile A · 3-5 yrs experience

Overview

A working developer profile comfortable picking up an existing codebase and shipping features or fixes without a long ramp-up.

Core Skills

- Web/app development (front-end + back-end basics)
- QA & bug-fixing
- Reliable, full-time availability with consistent working hours
- API integration
- Git version-control discipline
- Comfortable with remote collaboration tools (Slack, Asana, Notion, Zoom)

Experience

Application Development Specialist — Composite illustrative profile

Profile A · 3-5 yrs experience · Remote, TRS-placed

- Has built and maintained CRUD-style web applications.
- Integrated third-party APIs — payments, messaging, mapping.
- Handles day-to-day bug triage against a ticket queue.

Availability

Full-time, aligned to your business hours by default (adjustable on request).
